Start a New Car Auction

Have 10 local dealers bid against each other for your business. You get our Lowest Price Guarantee, and if you are able to find a lower price, we will refund your auction payment.

How it Works

1. Use the form on the right to select your vehicle, enter your contact information, and start your auction.
2. During the bidding process, dealers will bid, and rebid, making your price lower and lower.

Example of Bidding

3. Every time a dealer places a bid, you receive an email with the dealer's new bid and contact information.
4. At the end of the 7-day auction, you have the lowest price, Guaranteed!

Your Auction Is In the Bidding Process

During this period, our support staff works with the invited dealers to increase their involvement in the bidding process.

As the buyer, you can contact the dealers that have placed a bid at anytime; however we suggest waiting until your auction ends. Some dealers will wait until the last minute before placing their bid, or lowering their existing bid.

It may take several days before receiving your first bid. Please be patient as most bids come in the last 72 hours.
